

## Main changes in the Trader (TC) checklist

- New requirement on like-for-like rules for cane sugar (CC 2.1.3.16), therefore deletion of reference to cane sugar in criterion 2.1.3.04.
- Clarification of criteria on finished cotton product composition (CC 2.2.0.05)
- New requirements related to workers protection in cashew nuts processing units (3.1.6.05 and 3.1.6.06)
- New requirement based on the new Fairtrade Standard for Cocoa, related to the process to allocate the purchase of Fairtrade cocoa volume to producers (4.5.0.44)
- Alignment of text with Fairtrade Standard requirement related to tripartite contracts for oranges for juice (4.1.0.38)
- Modification of ranks and interpretation note for criterion related to coffee differentials in purchase contracts (4.1.0.39)
- Wording aligned with SPO checklist and Fairtrade International Standards on coffee exporter costs (4.1.0.43)
- Clarification of criterion text and ranks related to coffee prevailing differentials calculation (4.2.0.41)
- Deletion of criterion related to timelines exceptions for rice and seed cotton (4.3.0.11)
- Deletion of obsolete applicability dates
